YOUR VISIT TO TOBERMORY

Our team are looking forward to welcoming our valued customers back to Tobermory for the 2021 season.

These are unprecedented times, and we are working hard to protect our visitors, our staff and our community. We ask for your help to make your visit to Tobermory a safe and positive experience for all. We are monitoring Scottish Government guidance continually and ask that you check their website for current restrictions (both national and local) and other up to date information. COVID-19 FAQ's on Page 3 of this document.

- The Scottish Government have advised that travellers to the Scottish Islands should take two lateral flow tests for COVID-19 prior to their visit. The first three days before travel and the second on the day of departure.
- For the 2021 Season – All visitors must book in advance of their visit.
Please contact Harbour staff on 01688 302876, duty mobile 07917 832497 or VHF channel 68 in advance to check current restrictions.
To book a berth or check availability call 01688 302876, 7 days 0900 – 1700hrs – We regret we cannot accept bookings out-with these times.
- Contact details are required from skippers or boat owners using our facilities.
(These details will be collected, stored and deleted in accordance with our privacy policy and government guidelines).
- To ensure the safety of our visitors and help with social distancing, the number of boats and the number of visitors using our facilities may be limited.

Pontoons users

- As part of the booking process, you will be allocated a mooring or berth, please see the plan on the following page for directions. (this plan will be updated soon)
- *We are now allowing 2 boats per finger. If you would prefer to be distanced, please advise at time of booking and we will do our best to facilitate.*
- There is no pump out facility in Tobermory and this should be borne in mind particularly prior to the opening of the onshore facilities.
- Give way at the top of the bridges to pontoon users exiting the pontoons.
- Always maintain Social distancing.
- Please ensure you have vacated your berth by 3 pm on day of departure.

Moorings

- The mooring buoys are blue and white and labelled with the max weights: 15T, 25T & 80T. (Please ensure the correct weight is used for your vessel).
- If coming ashore, please always maintain social distancing.

Anchor

- Please anchor towards Aros Bay, or in the Doirlinn. **Do not** anchor in the area where the visitor moorings usually are as the blocks and chains are on the seabed.

Payments

Once you have made your booking, you will receive an e-mail with online payment instructions. This is a fast, simple and safe payment portal. This is our preferred payment method this year and we respectfully ask that you pay this as soon as your vessel is moored securely. For those who still wish to pay in person, please contact the staff and we will bring the card machine to you.

Fuel Berth

Fuel is on the outside of the mid-section and is operated by Harbour Garage. You should contact the garage direct to make arrangements 01688 302103

COVID 19 FAQ's

What are Tobermory Harbour doing to help prevent the spread of COVID-19?

We have implemented frequent cleaning regimes, provided hand sanitisers and will be restricting boat numbers. We now also have a new online payment option, which we will be opening up to all customers within the booking system.

We unfortunately need to minimise face to face contact, but our aim is to try and maintain our friendly service and ensure you have a relaxed stay with us.

What Facilities will be open for harbour users?

The harbour building will be open to the public as usual, with access to toilets and showers.

After 5pm the building will close to the public but will remain open for our harbour visitors.

There will be regular cleaning throughout the day.

Please be aware that legislation may change at any time and we may be forced to close facilities.

Is it business as usual in Tobermory?

You will find a list on our website and also attached to your booking confirmation e-mail but recommend you check with the local businesses for updates not to open immediately or in some cases for the remainder of the season mainly due to the challenges of social distancing.

Can I get items delivered to the boat, so I can stay aboard?

Some businesses have indicated that they will be willing to arrange delivery.

Refer to the list of local businesses and services as above but keep an eye on Facebook or contact the businesses direct for updates and arrangements.
